

March 15, 2018

Greetings!

The Moorestown Community House (MCH) is planning our 13th Annual Wine Tasting Fundraiser on Saturday, April 21st, 2018. This popular event sells out quickly and is covered by local and regional media. It is because of sponsors like you that this event has been so successful in years past. Each year, the Wine Tasting has grown in popularity and we are looking forward to even greater success at this year's event.

The MCH is an independent non-profit organization whose mission is to strengthen our community by providing a historic setting for all social, recreational and civic needs of individuals, families and organizations. The money raised goes towards subsidizing non-profit tenants and users, preserving the integrity of this unique structure and bringing community-based programs and events to Moorestown.

As a participating sponsor, your organization will benefit from promotion of the event through email outreach, social media, a dedicated website, and other efforts directed to the Wine Tasting attendees, a relevant and important segment of your target audience.

There are ten levels of sponsorship detailed on the enclosed page. Please select the level that will best meet your needs. Your tax-deductible sponsorship fee will be used to help the Moorestown Community House and the various non-profit organizations we serve.

We are appreciative of your support and are available to answer any questions. Please return your sponsorship commitment form as soon as possible so we may begin promoting your business and sponsorship on our print and media based outlets.

Thank you in advance!

Very truly yours,

Caryn Lynch
Executive Director
