Hello Friend!

We would like to invite you to take part in the Community House's exciting sponsorship program called the Community Partner Program. It allows businesses like yours to give back and support the Community House year-round (with one donation) while enjoying valuable benefits. Community Partners are included in the promotion of our signature events, including the Annual Wine Tasting, House Party, Golf Outing, Children's Holiday Shop, and Tree Lighting & Holiday Celebration. You will receive website and social media promotion AND a free room rental!

The Community House is an independent 501(c)(3) nonprofit and not part of the Township. We rely solely on financial support from our community. Our "Community Partners" are part of our family and very important to us.

In 2022, our Community Partners helped us meet the challenges of rising operating costs and supported needed improvements to the House such as our newly paved parking lot. Also, with their help, we were able to subsidize rental fees for more than 100 area nonprofits. As a Community Partner, you can feel great that you are helping our historic nonprofit Community House and our community at large with your support. Think of it as "one-stop giving!"
