The Community House is a 501(c) (3) nonprofit organization. The Community House of Moorestown is NOT funded with tax dollars or other stable forms of funding. We generate revenue from our signature events and through venue rentals, but that does not cover the cost of maintaining our lovely historic building in the heart of Moorestown. Donations allow us to provide affordable space to nonprofit organizations that are housed here and low-cost rentals for organizations that use our community's home to fulfill their mission.

Your contribution to The Community House of Moorestown is tax-deductible to the extent allowed by law.

Thank you for your interest. You will be hearing from us within three business days after receiving the application.

Cheers!

The Community House Team
